This morning, we pick you up at your hotel and depart for [Cu Chi Tunnels](#). By 1965, 250 km of tunnels criss-crossed Cu Chi and surrounding areas -just across the Saigon River was the notorious guerrilla power base known as the IRON TRIANGLE.

The Cu Chi tunnels played a vital part in the American war in that they allowed the Viet Cong to control a large rural area only 30 to 40 km from Saigon. At its height, the tunnel system stretched from Saigon to the Cambodian border. The network, parts of which were several levels deep, included innumerable trap doors, specially constructed living areas, storage facilities, weapons factories, field hospitals, command centres and kitchens. Today the remaining tunnels have become a major tourist attraction giving the visitor a unique experience and feel of what underground life in the American War must have been like. The tunnels have been widened for our benefit (otherwise we would not be able to enter them!) For those interested there's even the opportunity to fire off rounds from an AK47 or MK16 at the nearby rifle range.

Return back to Saigon for lunch, next will be visiting the [Reunification Palace](#), war Museum, China Town and [the Notre-Dame Cathedral Basilica of Saigon](#).
